26th June 2025

PQ 31591/25* To ask the Minister for Health the nature of refurbishment works that were carried out at Wexford General Hospital in the years of 2024 and to date in 2025, in tabular form. - David Cullinane

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

A list of the refurbishment works (including energy works) carried out at Wexford General Hospital in 2024 and to date in 2025 are captured in the table enclosed with this response.

In addition to the works included in this table, refurbishment works associated with the fire at Wexford General Hospital remain ongoing and it is anticipated that all will be completed by end of 2025. This information excludes any maintenance works or minor refurbishment works associated with maintenance.

Yours sincerely

Micheál Conneely
Interim National Director
