Dear Deputy Brady

I refer to your parliamentary question below which has been forwarded to me for attention. Firstly, please accept my apologies for the delay in issuing a response.

PQ 31910/25 – To ask the Minister for Health if she plans to develop an oral immunotherapy service for those with severe allergies; and if so, the timeline for this rollout; and if she will make a statement on the matter.

Children's Health Ireland (CHI) can advise that there is currently no timeline for the roll out of Oral Immunotherapy services for the treatment of children living with allergies in Ireland.

Yours sincerely
