PQ 31923/25

To ask the Minister for Children; Disability and Equality the number of WTE psychologists based in Waterford South City children's disability network team in the years 2023, 2024 and to date in 2025, in tabular form.

Dear Deputy McGuinness,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which was submitted to the Minister for response.

I have reviewed the matter and the following is the current position.

The following table sets out the number of WTE Psychologists based in Waterford South City CDNT, based within IHA Waterford/Wexford in 2023, 2024 and to date in 2025:

Post	Year	CDNT South City Waterford WTE
Senior Psychologist	2023	2.14
Senior Psychologist	2024	2.14
Senior Psychologist	2025	2.14

As with other areas Disability Services within IHA Waterford/Wexford are continuing to experience significant recruitment challenges. The HSE is operating in a very competitive market as there are significant shortages of qualified healthcare professionals nationally and internationally. The IHA's continue to prioritise local competitions for all disciplines and continues to express posts out to current national panels where relevant.

The HSE acknowledge that waiting times for CDNT service at this time are stressful for children and their families, and will continue to explore a range of options to enhance the recruitment and retention of essential staff into our CDNTs.

I trust this information is of assistance to you. Should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Maeve Cleary
General Manager - Children's Disability Services
