Deputy David Cullinane
Dáil Éireann
Leinster House
Dublin 2

17th June 2025

PQ 32070/25 - To ask the Minister for Health the number of PET scans in public hospitals broken down by location; and if she will make a statement on the matter. - David Cullinane

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

Please see the included Excel file detailing the requested information. This information was collected on behalf of the HSE Health Regions, by Access and Integration.

I trust this is of assistance to you.

Yours Sincerely,

**Nessa Lynch
General Manager
Access and Integration**

PQ 32070/25 - To ask the Minister for Health the number of PET scans in public hospitals broken down by location; and if she will make a statement on the matter. -David Cullinane			
Health Region	Hospital Site	Number of PET Scanners	Total number of scans in the past 24 months
South West	Cork University Hospital	1	3,295 (24 months up to 26/05/2025)
Dublin and Midlands	St James's Hospital	1	3,424
Dublin and South East	St. Vincent's University Hospital	1	2,428
Dublin and North East	The Mater Misericordiae University Hospital	1	3,184 (1st May 2023-30th April 2025)
West and North-West	There are no PET scanners in any of the public hospitals in the West and North West Regional Health Area. Patients are referred to the local private hospital (Blackrock Health Galway Clinic) or to a Dublin Hospital for PET scans.		
Mid West	There are no PET scanners in the Mid West sites		
Children's Health Ireland (CHI)	There are no PET scanners in CHI sites
