**PQ 32167/25 – “To ask the Minister for Health the podiatry services currently available to medical card holders aged over 65 within the Dublin 5, 13 and 17 areas”**  
**– Tom Brabazon TD**

Dear Deputy Brabazon,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The HSE Chronic Disease Management hub (CDM) provides a podiatry service from Omni Primary & Integrated Care Centre, Omni Shopping Centre, Santry, Dublin 9 with a weekly satellite clinic in Coolock Primary Care Centre. Patients with diabetes aged over 16 years, both medical card holders or private patients who live within the Dublin 5, 13 and 17 areas can be directly referred to this service by their GP, Practice Nurse or hospital diabetes podiatrist.

Integrated Health Area Dublin North County Primary Care also provide a Chiropody Services Scheme through private practising chiropodists who are reimbursed by the HSE on a sessional basis, however it is at the discretion of chiropodists to participate in this scheme.

The Scheme allows medical card holders over 65 years, as well as those under 65 who have a medical need, certified by a medical practitioner to be issued with a Chiropody Card entitling them to six treatments over a two-year period. Further information can be found on:

<https://www.hse.ie/eng/services/list/1/lho/northdublin/therapy/chiropody-services---lho--dublin-north.html>
