Re: PQ Ref 32190/25 - The roll out of an adult disability service in Wicklow Town

Dear Mr Brady,

Thank you for your correspondence. The Health Service Executive has been requested to reply to you in the context of the above Parliamentary Question. I have examined the matter and the following outlines the current position.

HSE Disability Services, Integrated Healthcare Area Dublin South and Wicklow (IHADSW) are aware of the capacity challenges within the South Wicklow area for adults accessing Day Services.

I can confirm Disability Services IHADSW are actively collaborating with funded service providers to strategically plan developments to enhance capacity in Wicklow Town. It is anticipated that this additional capacity will support Wicklow Town and surrounding areas and offer choice and opportunity for Adults with Disabilities and School Leavers from 2026 onwards.

I trust this information is of assistance to you.

Kind Regards,

Claire Waldron
