8<sup>th</sup> July 2025

Deputy James O'Connor TD  
Dáil Éireann  
Leinster House  
Dublin 2

PQ33773/25

To ask the Minister for Health if she will provide an update on a building project (details supplied); and if she will make a statement on the matter. -James O'Connor.

**Details: Youghal Ambulance Training Base unit**

Dear Deputy O'Connor

The Health Service Executive (HSE) National Ambulance Service (NAS) has been requested to reply directly to you in the context of the above parliamentary question which you submitted to the Minister for response.

The National Ambulance Service are working closely with our colleagues in the HSE Capital & Estates and have identified a suitable location for the provision of an interim training facility, pending the development of the St. Raphael's Campus for a permanent facility in that location. A Capital Submission for project approval will be lodged at the appropriate time.

The required documentation, for the interim solution, were prepared and submitted for approval by the relevant property / capital committees within the HSE. Upon receipt of approval a design team and contractor will be procured to carry out the necessary compliance and fit out works required to commission this interim facility.

I trust this information is of assistance.

Yours sincerely

---

Vincent Cronly  
Director of Planning and Infrastructure  
National Ambulance Service
