Re: Parliamentary Question 33789/25 *"To ask the Minister for Health if she will provide an update on the new emergency department in Beaumont Hospital; and if she will make a statement on the matter."*

Dear Deputy O'Callaghan,

HSE Dublin and North East has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. Having reviewed the matter, the following outlines the position.

Beaumont Hospital lodged an application for planning permission with Dublin City Council in October, 2024, for the provision of a new Emergency Department. The proposed new Emergency Department received a final grant of planning permission in May 2025. Following this, the project will now move to the detailed design stage through 2025.

I trust this information is of assistance to you.

Yours sincerely,

June Molloy
Communications and Public Affairs Manager
