To ask the Minister for Health the number of WTE Psychologists, by grade, based at Carrick-On-Suir Primary Care Centre in 2024 and to date in 2025, in tabular form.

Dear Deputy Healy,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which was submitted to the Minister for Health for response.

I have reviewed the matter and the following is the current position.

Psychology Services based in Carrick-On-Suir Primary Care Centre

Year	Psychology Whole Time Equivalent (WTE)	Social Care Leader Whole Time Equivalent (WTE)
2024	0.2	0
2025	0.6	0.8

I can confirm that there is currently a 0.6 WTE Psychologist working from the Carrick-On-Suir Primary Care Centre. The Primary Care Psychology service also has a Social Care Leader service within the Department who works with children and families who are referred to Psychology Services. This Psychologist is based in Carrick-On-Suir 4 days per week.

I trust this information is of assistance to you. Should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Paul Goff
A/Head of Service-Primary Care
