PQ ref 34535/25

"To ask the Minister for Health to provide an update on the development of a project (details supplied); and if she will make a statement on the matter".
Details supplied: Primary care centre for Youghal, Co. Cork

Dear Deputy McCarthy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

Full planning permission has been granted for the facility. The HSE Capital and Estates Office are working with the developer on the completion of the legal documents required for the development and this process is now nearing completion. The developer is working in the background on the procurement of the contractor for the construction of the facility. It is currently anticipated that the facility will be completed by Q2 2027.

If I can be of any further assistance, please do not hesitate to contact me.

Yours sincerely,

Aisling Lenihan
Acting Head of Service - Primary Care,
HSE South West
