10th July 2025

Deputy Catherine Connolly TD
Dáil Éireann
Leinster House
Dublin 2

PQ34919/25

To ask the Minister for Health for an update on the establishment of an ambulance base at Recess, County Galway; if the design team has now completed the tender documentation; if the project has gone to tender; the timeline for the delivery of the project; and if she will make a statement on the matter. -Catherine Connolly

Dear Deputy Connolly

The Health Service Executive (HSE) National Ambulance Service (NAS) has been requested to reply directly to you in the context of the above parliamentary question which you submitted to the Minister for response.

The proposed new Ambulance Base at Recess, Connemara, has received the necessary approvals to allow this project to proceed to contractor procurement. The tender documents will be published on the government procurement platform, eTenders, this week. It is envisaged that, a preferred contractor will be appointed during Q3/Q4 2025, with an estimated construction completion date of Q1/Q2 2026 with equipping and commissioning thereafter.

I trust this information is of assistance.

Yours sincerely,

Vincent Cronly
Director for Planning & Infrastructure
National Ambulance Service
