PQ 34992/25* To ask the Minister for Health the status of a project (details supplied: Youghal Ambulance Training Base, October 2024 announced by Minister Stephen Donnelly). - James O'Connor

Dear Deputy O'Connor,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

A proposed Ambulance Training Base in the South has been included in the HSE Capital Plan 2025, it is intended to progress a design feasibility study in 2025.

The option to progress a shorter term base is also currently being considered in line with Infrastructure Guidelines until such time as a long term base is provided.

Yours sincerely
