PQ 10180/25*To ask the Minister for Health to provide an update on the delivery of a primary care centre in Swords; and if she will make a statement on the matter. -Duncan Smith

Dear Deputy Smith,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The provision of a new Primary Care Centre in Swords is a priority for the HSE.

The HSE are actively pursuing options for the delivery of a new Primary Care Centre in Swords. These options are currently at a very commercially sensitive stage.

Further information on Swords Primary Care will be available once the scope and location of the project have been confirmed.

Yours sincerely

Micheál Conneely
