

Mr James O'Connor, TD,
Dáil Éireann,
Leinster House,
Kildare Street
Dublin 2

12th March 2025

REP 10218/25* To ask the Minister for Health further to Parliamentary Question No. 224 of 6 February 2025, for an update on a project (details supplied: Ambulance training base to be located in Youghal.); where the interim facility might be placed; the timeline on this project; and if she will make a statement on the matter. -James O'Connor

Dear Deputy O'Connor,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

As previously communicated Capital & Estates are currently engaged with HSE National Ambulance Services and other services to identify available space that could be utilised as an Interim Facility to provide an Ambulance Training Facility in the Youghal area. We continue to work on the permanent long term proposal for the Ambulance Training Facility, currently proposed for St Raphael's Campus.

The HSE are not in a position to provide the proposed location for the interim facility due to commercial sensitivity.

Once the scope and location of the project have been confirmed the timeline for the delivery of the interim Ambulance Training Facility will be established.

Yours sincerely

Micheál Conneely
Interim National Director
Capital & Estates
