Deputy Joe Cooney TD
Dáil Éireann
Leinster House
Dublin 2

PQ10293/25

To ask the Minister for Health the current status and any progress on the development of a new ambulance base in Kilrush, County Clare; and if she will make a statement on the matter. –Joe Cooney

Dear Deputy Cooney,

The Health Service Executive (HSE) National Ambulance Service (NAS) has been requested to reply directly to you in the context of the above parliamentary question which you submitted to the Minister for response.

Kilrush, has been identified, as a station that requires replacement and the NAS are working with our HSE Capital & Estates colleagues to develop a proposal for submission and approval to construct a new Ambulance Base. An initial Option Appraisal has been carried out to identify a suitable site for this development.

It is intended that a Capital Submission will be lodged in Q2 2025 seeking approval to proceed to procure a Design Team to advance the project.

I hope this information is helpful.

Yours sincerely
