Dear Deputy Cullinane,

PQ/10899/25

To ask the Minister for Health the number of approved headcount and whole-time equivalent posts and new posts allocated to the National Ambulance Service in 2024 and 2025, in tabular form. -David Cullinane

The Health Service Executive (HSE) National Ambulance Service (NAS) has been requested to reply directly to you in the context of the above Parliamentary Questions, which you submitted to the Minister for response.

Please see below table which is based on the latest data available.

Headcount as at 01/01/2024	2439
WTE as at 01/01/2024	2338
Headcount as at 01/01/2025	2575
WTE as at 01/01/2025	2409

Based on the data available, the National Ambulance Service was allocated 161 WTE posts as per the 2024 National Service Plan. This number rose to 191 when including the overhang of approved posts from 2022 and 2023. The National Ambulance Service allocation within the 2025 National Service Plan has not yet been formally allocated and confirmed.

I trust that this information is of assistance. Yours sincerely

Colette Walsh
Director of Human Resources
