RE: PQ ref 11211/25 - Blood Tests - Beaumont Hospital

Dear Deputy Mitchell,

To ask the Minister for Health the steps being taken to reduce wait times for blood testing appointments at Beaumont Hospital; if it is possible to provide auxiliary capacity to reduce the waiting lists; and if she will make a statement on the matter.

Beaumont Hospital is now 6 months post go-live as the first site to take on the National Laboratory and Order Comms system and we are in a position to review its phlebotomy work flows which include, outpatient, inpatient, ED and day cases.

It is hoped that by streamlining patients who attend for day cases (renal and CKB) the hospital can improve its OPD service.

If I can provide any further information, please let me know.

Kind regards,

Anne Coyle
