Dear Deputy Mythen,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

Please find enclosed with this response a listing of all HSE owned properties in County Wexford to include Freehold and Long Leasehold as per your request.

There are 45 properties listed for County Wexford of which, 37 are currently in use by the HSE, 3 are under refurbishment, 4 properties are in disposal and 1 property has been let to a 3rd Party.

The HSE continues to actively engage with the Department of Health, the Land Development Agency, Department of Housing, the Local Government Management Agency (Housing Delivery Co-Ordination Office), the Department of Integration and the Department of An Taoiseach in relation to its surplus assets as part of an 'All of Government' approach to increasing housing stock.

The HSE continue to engage with all stakeholders with a view to achieving the optimal use of State Lands and properties to meet overall government priorities across all sectors, including the provision of healthcare and community services.

Yours sincerely

Micheál Conneely
Interim National Director
