PQ Question: To ask the Minister for Health the number of people in each of the past four years who were transitioned directly from CAHMS team to an adult primary health care waiting list, broken down by CHO. -Donnchadh Ó Laoghaire

Dear Deputy Ó Laoghaire,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I wish to advise the Deputy that HSE Mental Health Services do not collect data on the number of people who were transitioned directly from CAHMS team to an adult primary health care waiting list.

I trust this information is of assistance to you.

Yours Sincerely,

Paul Braham
