PQ 13244/25

Dear Deputy Rice,

I refer to your correspondence dated 10th April 2025.

There are 1.5 WTE infectious diseases consultants in post at University Hospital Limerick (UHL).

The PrEP clinic at UHL currently runs twice a week, on Tuesdays and Thursdays.

We are currently seeking to recruit an additional two consultants to our infectious disease service which would allow us to increase activity at our PrEP clinic.

I trust this clarifies the position. Please contact me if you have any further queries.

Kind Regards,

IAN CARTER
