Re: Scoil Mochua, Clondalkin

“To ask the Minister for Children; Equality; Disability; Integration and Youth to comment on the Clondalkin children's disability network team operating in prefabs on the grounds of a school (details supplied); the reason they are not operating from the new primary health care centre on the Boot Road; when they will move to the primary care centre; and if she will make a statement on the matter.”

-Mark Ward

Dear Deputy Ward,

I refer to the above Parliamentary Questions which has been referred by the Minister for Children; Equality; Disability; Integration and Youth to the Health Service Executive for direct response. I have examined the matter and the following outlines the position.

The following response has been provided by Children's Disability Network Manager (CDNM) for CRC, lead agency for the Children's Disability Network Team – Clondalkin.

The main outstanding pieces are a signed lease agreement to be issued and signed by relevant HSE and CRC parties, and installation of the hoists. The HSE are following up on the licence agreement and the hoists.

The CRC are looking forward to moving into the Boot Road space once the final pieces are resolved.

I trust this information is of use to you. If you require any further information, please do not hesitate to contact us.

Yours sincerely,

Margaret O'Neill,
Head of Service, Disability Services
HSE Dublin and Midlands
