- Pádraig Rice

Dear Deputy Rice,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question (11374/25) which you submitted to the Minister for Health for response.

The HSE is committed to delivering efficient high-quality services to all eligible service users. In 2024, there were 77,710 patients seen by HSE Primary Care Dietetics services. Each Health Region is focused on improving access to care in order to reduce waiting times for patients in the context of resources available.

Please find the attached appendix, which contains, in tabular form, details of the HSE Primary Care Dietetics waiting list for each LHO area as of March 2025 which is the latest data available at this time.
