PQ 13864/25 – *“To ask the Minister for Health if any primary care centre within CHO9 has a rehab gym on its premises, in tabular form; if so, the locations of those gyms; the number of persons on waiting lists for usage of those gyms, in tabular form” - Paul Donnelly TD*

Dear Deputy Donnelly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question you submitted to the Minister for Health for a response. I have examined the matter and the following outlines the position.

Integrated Health Areas Dublin North County and Dublin North City & West Primary Care have advised that there are rehabilitation gyms located within the Community Health Networks. Please find attached a list for your convenience.

There are currently no waiting lists for use of the gyms, bookings are made on a case-by-case basis as required by treating clinicians.

I trust this information is of assistance to you, but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Michelle Forde

Head of Service Primary Care
