Dear Deputy Brabazon,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The Surgical Hub in Swords is being delivered by the HSE and is progressing on site with the current projected completion date for the construction element being Q4, 2025.

Once complete, the building will be handed over to HSE Service colleagues who will take operational control and governance of the facility, complete clinical commissioning and operationalize the facility.

Yours sincerely
