**PQ 14160/25 (Health): To ask the Minister for Health the number of consultants in critical care employed by the HSE from February 2020 to February 2025 inclusive, in tabular form; and if she will make a statement on the matter.**

Dear Deputy,

I refer to your recent PQ which was sent to the HSE for response.

In response, the HSE National Doctors and Training Practice unit have generated the following report.

The data was extracted from DIME (Doctors Integrated Management E-system). DIME is dependent on clinical sites inputting details on their consultant workforce and therefore there may be variances and gaps in the data supplied to that held within clinical sites. As DIME is a live system it must be noted that there can be variances in the figures published dependent on the run date of the report as entries can be made with a retrospective date.

Consultants in Intensive Care Medicine at each year end 2020 - 2024					
Year:	2020	2021	2022	2023	2024
Total:	30	34	38	44	47

I trust this is of some assistance.

Yours sincerely,

---
