### RE: PQ ref 14253-25 – Road Realignment – Beaumont Hospital

Dear Deputy O'Callaghan,

Reference your recent Parliamentary Query for the Minister for Health.

*“To ask the Minister for Health for an update on the new road realignment and cycling infrastructure for Beaumont Hospital; and if she will make a statement on the matter.”*

Please be advised that in relation to Beaumont Hospital road realignment and cycling infrastructure that the current update is that Beaumont Hospital applied to the HSE Estates dept for approval to proceed. Final planning was granted in November 2024. The project design and approvals are funded and continuing through Q2 2025 with works currently programmed to be tendered later into 2025.

If I can provide any further information, please let me know.

Kind regards,

**Ms Anne Coyle**
