Deputy Padraig Rice Dáil Éireann Kildare Street Dublin 2

PQ Number: 14737/25

Question: To ask the Minister for Health the number of approved consultant posts by discipline, speciality, and clinical site, in tabular form; the number filled on a permanent basis, temporary, locum or agency; the number of vacant posts; the length of time each vacant post has remained vacant; and the total number under recruitment.

-Pádraig Rice

Dear Deputy Rice,

The data below was extracted from DIME (Doctors Integrated Management E-system) at 24th March 2025. DIME is dependent on clinical sites inputting details on their consultant workforce and therefore there may be variances and gaps in the data supplied to that held within clinical sites. As DIME is a live system it must be noted that there can be variances in the figures published dependent on the run date of the report as entries can be made with a retrospective date.

Definition of Status

Filled: The clinical site has verified that a Consultant currently occupies this post.

Vacant: It should be noted that there is often a significant period of time between approval of a consultant post through CAAC to the commencement of the recruitment process and ultimately the recruitment of a Consultant to a post.

Unknown status: The clinical site has not yet assigned a Consultant to the post or marked the post as vacant.

Yours sincerely,

Leah O'Toole

Assistant National Director
