Re: PQ ref 8977/25 – *To ask the Minister for Health the current commenced or planned construction projects on the St. James's Hospital campus; the purpose of same; the start and expected completion dates; the estimated cost of each project; and if she will make a statement on the matter.*

Dear Deputy O'Snodaigh,

The DCP (Development Control Plan) is the basis of the projected development programme for the St James's Hospital campus. We are currently working to assess the capital cost estimates for these programmes of works. The timeline for the developments is governed by Public Code of Spending gateway approvals based on a project-by-project basis.

Yours sincerely,

Ms Aisling Collins

Chief Operations Officer
