Re: PQ rep 9738/25

Dear Deputy Brabazon,

The National Environmental Health Service is a National Service across the HSE and is not resourced or managed on a CHO geographical basis.

Resources are allocated nationally based on establishment numbers/operational need in order to ensure the implementation and enforcement of the various statutory provisions for which the NEHS has responsibility.

Taking account of the geographic area covered by CHO9 the table below sets out the WTE of the HSE National Environmental Health Officers assigned to this area in 2023, 2024 and to-date in 2025 Service.

	WTE Dec 2023	WTE Dec 2024	WTE Jan 2025
National Environmental Health Service EHO Staff - CHO9 Area	45.66	46.98	46.75

Yours sincerely,

Tara Uí Chaoilte | Príomhoifigeach Sláinte Comhshaoil Réigiúnach
