

Mr Eamon Scanlon, TD,
Dáil Éireann,
Leinster House,
Kildare Street
Dublin 2

21st March 2025

PQ 9756/25* To ask the Minister for Health for an update on the new primary care centre in Tubbercurry, County Sligo; and if she will make a statement on the matter. -Eamon Scanlon

Dear Deputy Scanlon,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The provision of a primary care centre for Tubbercurry, Co Sligo, will be via the HSE Capital Plan. The project is currently at Stage 2C of the design process i.e. preparation of tender design. A Detailed Design has been completed and is currently undergoing a pre-tender review.

Subject to approval it is expected to undertake the tender process for the Project in Q2 2025. Subject to a successful tender process it is expected to be on site before end of the year. Planning permission has been granted for the primary care centre and the project has an anticipated overall construction programme of 18 months, once construction commences.

Yours sincerely

Micheál Conneely
Interim National Director
Capital & Estates
