Re: Parliamentary Question 9915-25 “To ask the Minister for Health if the HSE have plans to close or reduce services in any way in Navan accident and emergency in the next 12 months; and if so, if he will details the plans and when will they be implemented”- Peadar Tóibín

Dear Deputy Toibin,

The RCSI Hospital Group has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. Having reviewed the matter, the following outlines the position.

Currently, there are no agreed timelines to progress the next phase in the reconfiguration of the Emergency Department at Our Lady's Hospital Navan to a 24/7 Acute Medical Assessment Unit (AMAU) facility.

I trust this information is of assistance to you.

Yours sincerely,

June Molloy
