Dear Deputy Cleere,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question (PQ 22147/25) which you submitted to the Minister for Health for response.

Detailed information on number of HSE staff grades is publicly available and can be found at <https://www.hse.ie/eng/staff/resources/our-workforce/workforce-reporting/> and also includes archived reports for previous years. I have attached the most recent copy of this report- Appendix 1. For your convenience, I have also included below a link to the workforce reports by Health Region.

<https://www.hse.ie/eng/staff/resources/our-workforce/workforce-reporting/health-region.html>

The HSE is committed to delivering efficient high-quality services to all eligible service users. In 2024, there were over 171,317 patients seen by HSE Primary Care Speech and Language Therapy services. Each Health Region is focused on improving access to care in order to reduce waiting times for patients in the context of resources available.

Please find the attached Appendix 2 which contains, in tabular form, details of the latest Primary Care Children's Speech and Language Therapy waiting list by the LHO area, for March 2025 which is the latest data available at this time
