RE: To ask the Minister for Health if there are development plans for the HSE building in Ashbourne, County Meath, Killegland Ashbourne, which has been unoccupied for the past number of years.

Dear Deputy Byrne,

The Health Service Executive has been requested to reply directly to you in the context of the above representation which you submitted for response.

The old Health Centre in Ashbourne is being considered for the delivery of clinical services for both primary care and mental health services. This is subject to the building being upgraded to meet minimum standards. HSE Capital and Estates are in the process of scoping the upgrade works required and obtaining cost estimates for these works.

Yours sincerely,

Gerry Tully
