Deputy Ciarán Ahern
Dáil Éireann
Leinster House
Dublin 2

13th May 2025

PQ 22347/25 To ask the Minister for Health the number of staff in each public PrEP service in 2024 and to-date in 2025; the number of vacancies in each of those PrEP services, in tabular form; and if she will make a statement on the matter. – Ciarán Ahern

Dear Deputy Ahern,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The census does not provide WTE detail at an individual service level, hospital level is the lowest level of WTE data available. Details of vacancies across the organisation are not currently held centrally, therefore unfortunately we are not in a position to provide the information you request.

Yours Sincerely,

John Smith
Assistant National Director
Access and Integration
