**Re: PQ ref 22570/25 - Support from the HSE for services in Laois for people who care for persons with Alzheimer's on a 24/7 basis**

Dear Deputy Fleming,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and outline the position below.

The HSE has a service level arrangement with the Alzheimer's Society of Ireland and Family Carer's Ireland who provide support for those living with family who have Alzheimer's.

The Health Service Executive also offer respite services for people living with Alzheimer's to provide support to carers.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

---
