RE: PQ ref 22810/25

To ask the Minister for Health if she is aware of the need for a generator on Clare Island; if HSE Estates are working to provide one; if there is a timeframe for the provision of the generator and other urgent repair works to the health centre on Clare Island; if the island GP can be involved in discussions regarding repair works; and if she will make a statement on the matter.

Dear Deputy Conway-Walsh

The Health Service Executive has been requested to reply directly to you in the context of the above Representation which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

We are currently exploring the option of generators on the Islands in Mayo, a final plan has not been agreed yet.

In relation to agreed maintenance works to be carried out at Clare Island Health Centre, final dates have not yet been agreed with contractors for completion of same. All stakeholders utilising the building will be kept informed throughout the process.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours Sincerely

Seamus Beirne
Head of Primary Care Services
Galway, Mayo & Roscommon
