

Deputy Marie Sherlock
Dáil Éireann
Leinster House
Dublin 2

22nd May 2025

PQ 23450/25 - To ask the Minister for Health to set out the increase in emergency department (ED) presentations for each model 3 and model 4 hospital ED between 31 March 2022 and 31 March 2025, and their corresponding admission rates for each of these dates, in tabular form. -Marie Sherlock

Dear Deputy Sherlock,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

To assist in responding to the question raised, the attached data has been provided by the HSE Business Information Unit.

The HSE Business Information Unit (BIU) is a central repository for activity information for Acute and Non Acute Services. The BIU collects, collates and validates extensive amounts of data which is used in performance monitoring and measurement to support the HSE in operational and strategic decisions.

Please see the below link to the Urgent and emergency care report (daily).

<https://www2.hse.ie/services/urgent-emergency-care-report/>

Please see the data notes on the Excel file, and outlined below:

Data notes:

- Children's Health Ireland includes: CHI at Crumlin, CHI at Tallaght, CHI at Temple Street.
- Admissions are based on the following discharge destinations: - Admitted to Ward, Referred to Acute Medical Assessment Unit (AMU), Discharged to Clinical Decision Unit (CDU).
- Mater Misericordiae University Hospital:
 - Effective from March 2025, MMUH Smithfield Local Injury Unit (LIU) data is excluded from ED activity and PET calculations and is now classified as Injury Unit attendances.
 - This updated will also be reflected during 2022, which is due to resubmitted data due to this amendment, therefore numbers may differ from previously published reports.
- St. Michael's Hospital is excluded (model 2)

I trust this is of assistance to you.

Yours Sincerely,

John Smith
Assistant National Director
Access & Integration

Please note data contained in this report is preliminary and may be subject to change

If information contained within this file is used in other reports then as a minimum requirement BIU must be referenced.

PQ Request Number: 23450 25

Date report created: 21/05/2025

Data Source: PET

Subject: To ask the Minister for Health to set out the increase in emergency department (ED) presentations for each model 3 and model 4 hospital ED between 31 March 2022 and 31 March 2025, and their corresponding admission rates for each of these dates,in tabular form.
