10<sup>th</sup> June 2025

Dear Deputy Boland,

Please be advised responses in relation to the PQ's listed below:

**PQ 23643/25** - To ask the Minister for Health what will the total inpatient bed capacity be at Beaumont Hospital when the new inpatient beds are completed; and if she will make a statement on the matter.

**PQ 23640/25** - To ask the Minister for Health when will a new inpatient bed block or blocks be built at Beaumont Hospital; and if she will make a statement on the matter.

**PQ 23642/25** - To ask the Minister for Health how many new beds are planned in the new inpatient wards at Beaumont Hospital; and if she will make a statement on the matter.

Beaumont Hospital was granted planning permission for a 95 bed ward block in October 2024. The design process for this project is continuing through 2025 including detailed design prior to tendering for the works. The anticipated total in-patient bed capacity for Beaumont, post-opening of the bed ward block (Phase 1) will be 966 beds.

Kind regards,

**Ms Anne Coyle**  
**Chief Executive Officer/ Príomhoifigeach Feidhmiúcháin**
