Dear Deputy Timmins,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The expenditure in Mental Health services for 2024 amounted to €1,398.8m. The total 2025 funding for Mental Health services as at March 2025 amounted to €1,467m, it is expected that the expenditure level for 2025 will reach this approved funding level.

I trust this information is of assistance to you.

Yours Sincerely,

Tony McCusker
