***PQ 24633/25 - To ask the Minister for Health the progress made to date on reducing hospital parking charges; the hospitals where charges have reduced; and if she will make a statement on the matter. -Mark Wall***

Dear Deputy Wall,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The Access and Integration department contacted colleagues in the Health Regions offices to obtain the relevant information as some the requested data is not held centrally.

Please find enclosed an Excel file compiling the responses received.

I trust this information is of assistance to you.

Yours sincerely,

**Nessa Lynch**  
**General Manager**
