Dear Deputy Farrell

The Health Service Executive (HSE) National Ambulance Service (NAS) has been requested to reply directly to you in the context of the above parliamentary question which you submitted to the Minister for response.

The Design Team are finalising the Tender Drawings and Package, and approval will be sought within the next 2 weeks to Proceed to Tender with the Project. Subject to HSE Stage Approval, it is anticipated that a Contractor will be appointed for this project in Q3 2025 with works to commence as soon as possible and be substantially complete by the end of the year

I trust this information is of assistance.

Yours sincerely,
