Deputy Paul Lawless TD
Dáil Éireann
Leinster House
Dublin 2

PQ25242/25

To ask the Minister for Health whether there is any provision within the National Ambulance Service's recruitment framework specifically aimed at targeting staffing needs in the west and north west regions. -Paul Lawless

Dear Deputy Lawless

The Health Service Executive (HSE) National Ambulance Service (NAS) has been requested to reply directly to you in the context of the above parliamentary questions which you submitted to the Minister for response.

The NAS work with the National Recruitment Service and HSE communications team to promote vacancies within all service areas including HSE West and North West and this has proven successful in so far as we have not encountered issuing filling funded vacancies in these regions.

I trust this information is of assistance.

Yours sincerely,

Colette Walsh
Director of Human Resources
National Ambulance Service
