3rd June 2025

PQ 25476/25*To ask the Minister for Health the current state of play of the HSE's plan to develop a primary care centre at a location (details supplied: Curlew Road, Drimnagh, Dublin 12. which is long-promised and has meant that the adjacent Mother McAuley Centre has been told for years not to invest in upgrades as they were part of the proposed development); and if she will make a statement on the matter. -Aengus Ó Snodaigh

Dear Deputy Ó Snodaigh,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The HSE Capital Plan 2025 includes funding to progress the design of a new Primary Care Centre at Curlew Road, Drimnagh.

The project is presently at Design Stage 2A and the appointed Design Team is developing documents for obtaining statutory approvals ie Planning, Fire Safety Certificate & Disability Access Certificate.

On completion of statutory consent documents, these will be reviewed by HSE stakeholders prior to Dublin City Council.

Yours sincerely

Micheál Conneely
Interim National Director
