REP:

"To ask the Minister for Health the reason the HSE no longer provides funding for a centre (details supplied) to open five days a week for people with Alzheimer's disease; the estimated full-year cost of funding two extra days opening a week; and if she will make a statement on the matter?"

"Michael Cahill"

Response:

Dear Deputy Cahill,

I wish to acknowledge your PQ in which the HSE is requested to respond directly to you by the Minister.

The HSE currently fund the ASI Rose Cottage Day Care which is open for three days per week. The HSE would request the ASI to submit a business case for funding to increase the service to five days. To date, no business case has been submitted for additional funding or to open the day care for five days per week.

I trust this information is of assistance to you.

Yours sincerely,

Lorraine Madden
