RE: PQ 27010/25

To ask the Minister for Health for a list of the names and specialties of the cross speciality clinical advisory group within the gender healthcare programme

Dear Deputy Murphy,

The Health Service Executive has been requested to reply directly to you in relation to the above parliamentary question, which you submitted to the Minister for Health for response. I have consulted with the National Clinical Advisor and Group Lead for Children and Young People (NCAGL C&YP) and the Gender Healthcare Programme on your question and have been informed that the following outlines the position.

National Clinical Programme Clinical Advisory Groups (CAGs) are committees of the respective postgraduate colleges, not the HSE. I have been informed that a Clinical Advisory Group is being established within the Royal College of Physicians of Ireland (RCPI) to support the HSE's Gender Healthcare Programme and that the membership of this cross-specialty clinical advisory group is underway and not yet complete.

I trust this information is of assistance to you, but should you have any further queries please do not hesitate to contact me.

Yours sincerely

Anne Horgan
General Manager
