PQ 28705/25* To ask the Minister for Health the estimated cost of full delivery of the all-island mother and baby perinatal mental health unit at St. Vincent's Hospital. - David Cullinane

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

Consideration is being given to a proposed Mother and Baby Perinatal Mental Health unit at St Vincent University Hospital.

A proposed brief is currently being developed, following which, site options for the Mother and Baby Perinatal Mental Health unit will be considered and a feasibility study progressed.

In the absence of same it is premature to provide an estimated cost at this early stage.

Yours sincerely

Micheál Conneely
