Deputy David Cullinane
Dáil Éireann
Leinster House
Dublin 2

9th October 2025

PQ 52615/25 - To ask the Minister for Health the bed occupancy rates of each public and public voluntary hospital, by hospital group, for the first nine months of each year 2023 to 2025, in tabular form; the national average; and if she will make a statement on the matter. -David Cullinane

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The HSE Business Information Unit (BIU) is a central repository for activity information for Acute and Non Acute Services. The BIU collects, collates and validates extensive amounts of data which is used in performance monitoring and measurement to support the HSE in operational and strategic decisions.

The percentage of bed occupancy represents the number of occupied beds used in each hospital represented as a percentage of all available beds during the time period.

The information requested has been provided in the attached Excel file supplied by the Acute BIU, please see the explanatory information on the Excel file and outlined below.

Data notes:

- Please note that data for Galway University Hospitals is currently being validated and is not included in this report.
- Please note that data for September 2025 is not available yet.

I trust this is of assistance to you.

Yours sincerely,

Nessa Lynch
General Manager
Access and Integration

Please note data contained in this report is preliminary and may be subject to change

If information contained within this file is used in other reports then as a minimum requirement BIU must be referenced.
