Dear Deputy Cahill,

Please see response below regarding PQ 52964

To ask the Minister for Health the number of WTE consultant radiologists based at Kerry University Hospital in the years of 2024 and to date in 2025, in tabular form; and if she will make a statement on the matter. -Michael Cahill

Response provided by University Hospital Kerry:

Radiology Consultant levels at UHK (as with all specialties) can vary across the months and years. While there has been some fluctuation in Consultant WTE (whole time equivalents) in this discipline, the below table depicts October 2025 onsite compared to past number of years and additionally for 2025 off-site is included.

Hospital	Dec 2023	Dec 2024	Oct 2025
University Hospital Kerry	3.30 onsite	4.40 onsite	2.5 onsite
			+3.1 offsite remote reporting : Total 5.6

In addition to the above, as at October 2025, there is one full time Senior Registrar in Radiology.

I trust this response is to your satisfaction; should you have any further queries however, please do not hesitate to contact me.

Yours sincerely,

Mary Fitzgerald
