**To ask the Minister for Health whether her Department will include a medication (yselty) in the drug payment scheme; and if she will make a statement on the matter. -Emer Currie**

Dear Deputy Currie,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question (Reference 53695/25), which you submitted to the Minister for Health for response.

Products are added to the Reimbursement List in line with the Health (Pricing and Supply of Medical Goods) Act 2013. Marketing Authorisation Holders are required make formal pricing and reimbursement application to the HSE under the legislation.

To date, an application has not been made for the licensed product Yselty by the Marketing Authorisation Holder to the HSE. As such this product cannot be added to the formal Reimbursement List.

Yours sincerely,

Suzanne Doyle  
Primary Care Reimbursement Service
