Dear Deputy Kelly,

I refer to your correspondence dated 21st October 2025.

The new Outpatients Department (OPD) in Nenagh is scheduled to become fully operational in the first quarter of 2026.

Construction works on site are nearing completion. On completion of the building works, the OPD will be formally handed over to the HSE. The HSE has already commenced the procurement process in relation to the equipment and furniture required to 'fit out' the building.

The accommodation (clinical and administrative) will need to be equipped and furnished before the HSE staff and services who will occupy the building can transfer from existing HSE sites into the new OPD.

I trust this clarifies the position. Please contact me if you have any further queries.

Kind Regards,

IAN CARTER
